Jonathan,

The water agreement between Stadion (Meta) and Eagle Mountain City states, "For the avoidance of doubt, data and information related to Customer's actual or projected consumption or usage of all or any portion of the Reservations shall be deemed Confidential Business Information. The City shall redact or delete any Confidential Business Information from any records it makes available for inspection or of which it provides copies. Within two (2) Business Days following the City's receipt of any request to inspect or obtain copies of public records relating to this Agreement or the Project, the City shall provide written notice of the same to Customer a copy of the request, which notice shall include a copy of such request. The City shall not allow inspection or provide copies of any such records until Customer shall have had not less than ten (10) Business Days (following and excluding the day on which Customer receives such notice) to determine whether to contest the right of any party to inspect or receive copies of such records. Any such action to enjoin the release of Confidential Business Information may be brought in the name of Customer or the City."

We reached out to Stadion regarding your request, and they maintain the claim of business confidentiality for records containing data on monthly water consumption and/or diversion. They did share that Meta has publicly available and detailed water data (and other information) in its annual Sustainability Report, which can be accessed here: <https://sustainability.atmeta.com/2023-sustainability-report/>. Updated data for 2023 will be published in the 2024 Sustainability Report in the next few months, which will also be publicly available.

Please let me know if you have any questions. If you believe this response to your records request is improper or inadequate, you may appeal to the following administrative officer:

Mayor Tom Westmoreland

1650 E Stagecoach Run

[Eagle Mountain, UT 84005](#)

To do so, you must file a notice of appeal with the Recorder's Office within 30 days of the date of this email. Your notice of appeal must contain your name, mailing address, daytime phone number, and an explanation of what you want the administrative officer to do. You may include a short statement of facts, reasons, and the legal authority in support of your appeal.

Thank you,

Lianne
